The Bobbi Rudzinski Award

The Brittney on the top of the trophy represents the hard-working, loyal and great friend that Bobbi was to this club. She was a lady of strong character, good will, and made a lasting contribution to Langley Kennel Club.

The recipients of this award are being honored by LKC for following Bobbi's example and donating their time and energy to make their own contribution. This is our way of recognizing their true dedication, hard-work and the part they play in the success of Langley Kennel Club.
